

Message from the Executive Director

Great news!

As many of you know the recent months have been somewhat of a trying time for the museum. With the lack of a strong cash flow and uncertainty of what will happen in the new year, we approached City Council for additional funding to assist us for the 2019 year. I am pleased to announce that the City has approved the additional funding request of \$237,000 presented by Rod Macleod and myself at Council Chambers over a week ago. We will continue to work along with the Edmonton Heritage Council in creating a sustainability plan and moving the museum forward.

The museum is also excited to announce we have signed a new 25-year lease agreement with the City of Edmonton. We appreciate the commitment the City is making to our long-term use of Hangar 14.

I would like to thank the Mayor, Ward 2 Councilor Bev Esslinger, and all City Councilors for approving the full funding request and showing the support that the museum has worked hard to garner.

Respectfully,

Jean Lauzon  
Executive Director
